

Protect your cheese!

Move your tank, your turret and shoot the enemy! Enemies will generated at three points and move around randomly.

Remember! The bush will block tanks and bullets, while the water will only block tanks, bullets will fly through it.

Use controller to drive your tank, Press Fire 1 to shoot, Fire 2 and Fire 3 to rotate the turret!

You can upgrade after killing 5 enemies and upgrades have three levels. However, your level will drop if you are shot by enemies.

At the second level, your bullet beats enemies' bullet and at the third level, your bullet can penetrate enemies!

Watch out! If enemies destroy the cheese or get it, you lose. You will also die if you are shot at the first level.

You will win the game if you kill all 50 enemies. The number of remain enemies shows on the upper left of the screen.
